

LAB PROGRAMS

CSA1015-SOFTWARE ENGINEERING

1. Create a Kanban Board to Visualize the Tasks.

- Create Columns for To Do, In-Progress and Done.
- Add Atleast 5 Sample Tasks
- Move the Tasks across the Columns to Simulate the Workflow.

Create a kanban board and assign tasks

Step 1: Log in to jira account and create a new space from left side panel and select kanban template

Step 2: Give the name of project

[← Back to templates](#)

Name your space

Required fields are marked with an asterisk *

Name *

TASK 1

How your space is managed *

Company-managed

Kanban

 Jira

Visualize and advance your project forward using work items on a powerful board.

Step 1 of 3

[Next](#)

Step 3: Create the task in list and assign to team and date of task and priority level

Two screenshots of the Jira interface showing the 'TASK board' in 'List' view. The first screenshot shows a single task, 'TASK-1 Gather requirements', assigned to 'lahari'. The second screenshot shows two tasks, 'TASK-1 Gather requirements' and 'TASK-2 Design user Interface', both assigned to 'admin'. The interface includes a sidebar with navigation options like 'For you', 'Recent', 'Starred', 'Apps', 'Plans', 'Spaces', and 'Dashboards'. The top bar shows the Jira logo, a search bar, and buttons for '+ Create', 'See plans', and 'Ask Rovo'. The task list table has columns for Work, Assignee, Reporter, Priority, and Status.

Work	Assignee	Reporter	Priority	Status
TASK-1 Gather requirements	lahari	AVULA BHAVYA	Medium	BACKLOG
TASK-2 Design user Interface	admin	AVULA BHAVYA	Medium	BACKLOG

Step 4: Verify whether it is in kanban board

A screenshot of the Jira interface showing the 'TASK board' in 'Kanban board' view. The board is organized into columns: 'BACKLOG', 'SELECTED FOR DEVELOPMENT', 'IN PROGRESS', and 'DONE'. The 'BACKLOG' column contains two tasks: 'TASK-1 Gather requirements' and 'TASK-2 Design user Interface'. The 'TASK-2' task has an 'Edit summary' button. The 'DONE' column is empty and contains a search bar with the text 'See older work items'. The interface includes a sidebar with navigation options like 'For you', 'Recent', 'Starred', 'Apps', 'Plans', 'Spaces', and 'Dashboards'. The top bar shows the Jira logo, a search bar, and buttons for '+ Create', 'See plans', and 'Ask Rovo'. The task list table has columns for Work, Assignee, Reporter, Priority, and Status.

Work	Assignee	Reporter	Priority	Status
TASK-1 Gather requirements	lahari	AVULA BHAVYA	Medium	BACKLOG
TASK-2 Design user Interface	admin	AVULA BHAVYA	Medium	BACKLOG

Step 5:Add all the task to list
